Document A

Tous les candidats de la série L traitent les questions 1 à 5.

1. Who are the characters and how are they related?

Liam and his cousin Róisín, and there is Liam's dad. Liam's mother is mentioned but she died.

L-LVO = 5 pts	L-LVA = 5 pts
----------------------	----------------------

2. Where does the scene take place? It takes place on a farm, in a field.

L-LVO = 3 pts	L-LVA = 2 pts
----------------------	----------------------

3. a) What are the children doing?

They are lying on the grass watching the sky and talking.

b) Why is it a special occasion?

Because they are watching a comet, it is an exceptional phenomenon.

L-LVO = 8 pts (4+4)	L-LVA = 4 pts (2+2)
----------------------------	----------------------------

4. a) What are the children talking about?

They are talking about the future, whether they will stay or leave.

b) Do the children have the same plans for the future? Explain.

- No, they don't
- Róisín wants to explore the universe.
- Liam doesn't want to leave home

a) L-LVO = 4 pts	a) L-LVA = 2 pts
b) L-LVO = 7 pts (1+3+3)	b) L-LVA = 5 pts (1+2+2)

5. a) How does Róisín try to persuade Liam to come with her? Give two elements and support your answer with quotations from the text.

She tries to change his mind by:

Asking questions (line 24 'Don't you want to leave here?')

Insisting with 'but' (line 27 'But when you're a grown up' / line 29 'But there's nothing left to explore on the farm')

b) Explain line 33: "Liam doesn't like lying to Róisín but he doesn't know how to make her understand."

Liam doesn't want to disappoint her but as she has never lost anyone close to her in her life she cannot understand what Liam and his father have gone through. Even though he is young, he feels responsible towards his father because his father would be alone otherwise.

L-LVO = 10 pts (3+3+2+2)	L-LVA = 6 pts (2+2+1+1)
---------------------------------	--------------------------------

Seuls les candidats de la série L composant au titre de la LVA (Langue Vivante Approfondie) traitent les questions 6 et 7.

6. Explain what the narrator means when he says, ‘when he imagines the world it is always somehow relative to the farm.’ (ll. 15-16)

It means that, unlike his cousin who is carefree, he is **more mature** because his mother's death has made him grow up too quickly and made him **feel responsible** for his father and the family farm / He is tied to the farm and his father.

L-LVA = 6 pts

Document C

Tous les candidats de la série L traitent les questions 15 à 18.

- The characters: In the 1917 poster Uncle Sam, a familiar character for Americans, a national personification of the American government or the USA in general, is pointing at us. He looks very stern / serious. In the modern poster, there is an astronaut wearing a helmet which hides his face but he is also pointing at us.

- Document C, elements that are familiar to the American public in the first old poster are used in the second modern poster (the gesture and the slogan), which depicts / shows an unfamiliar environment + Everyone is somehow familiar with Mars, people have heard, read or watched movies or series on Mars.
