II- Écriture (Lettre Y)

This image shows a full page of graph paper. It features a uniform grid of thin, light blue lines. A single, slightly thicker red vertical line is positioned on the left side of the page. Additionally, there are two red horizontal lines: one located approximately one-fifth of the way down from the top edge, and another located approximately four-fifths of the way down from the top edge. These red lines intersect the blue grid lines. The entire page is covered by this grid pattern, leaving no margins or other markings.
