## Unit 4 (Wild animals) - Review

**Professeur : Mme ZAARA Asmae**

Summary

I- Activities

1-1/ Activity 1

1-2/ Activity 2

1-3/ Activity 3

II- Practice

2-1/ Exercise 1

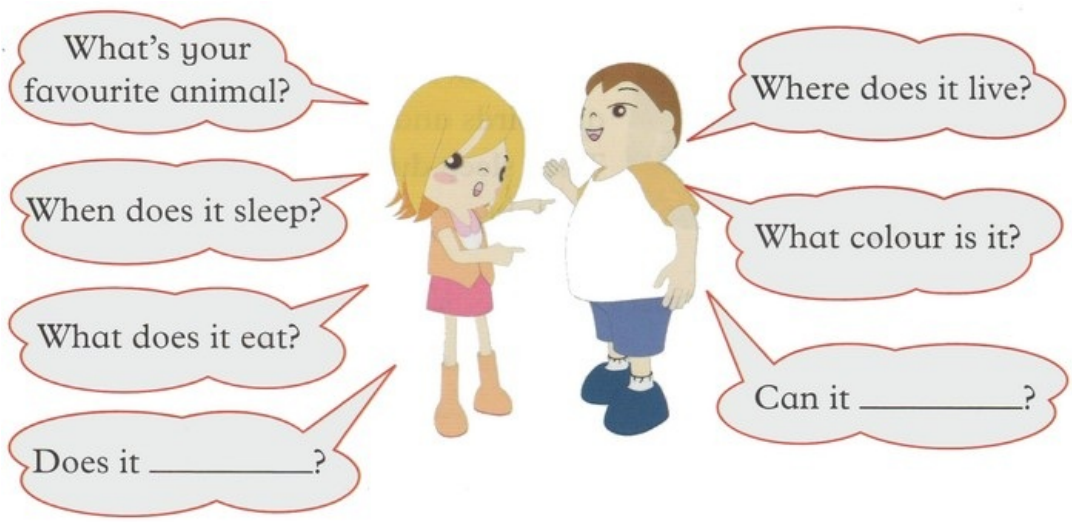

2-2/ Exercise 2

---

## I- Activities

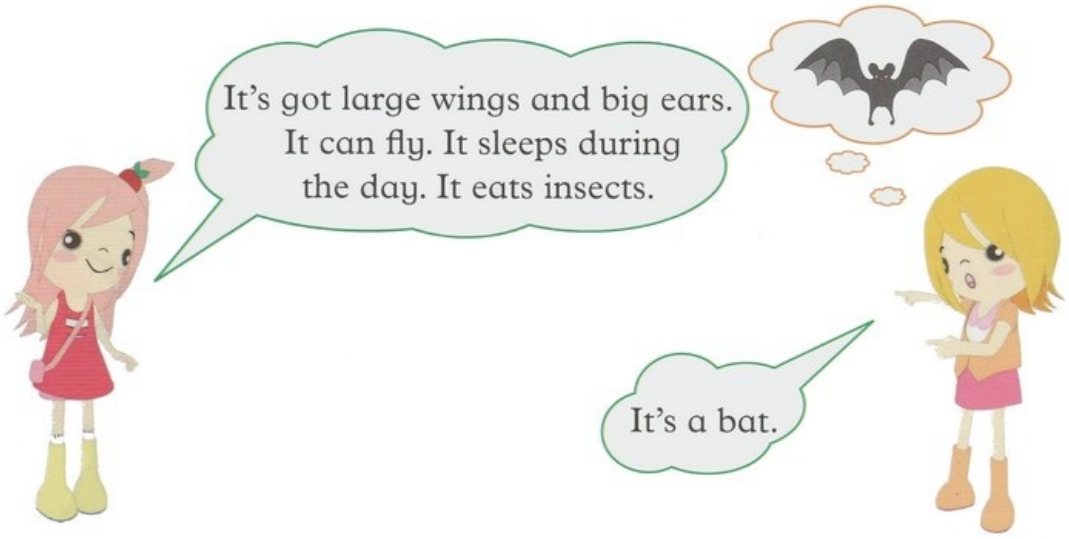

### 1-1/ Activity 1

Think about your favourite animal. Make notes about it. Then ask and answer :

### 1-2/ Activity 2

Ask and answer. What animal is it?

## 1-3/ Activity 3

Read and then answer the questions :

Giant pandas are bears. They live in the mountains in China. There are about 1,000 giant pandas in China. They are black and white. Their head, back and stomach are white. Their ears, legs and eyes are black. Their favourite food is bamboo. Pandas are good climbers. They can swim too.

- Where do giant pandas live?

---

- What do giant pandas eat?

---

- What colour are giant pandas?

---

- How many giant pandas are there in China?

---

- Can giant pandas swim?

---

# II- Practice

## 2-1/ Exercise 1

Listen, read and circle "True" or "False" :

The Kruger National Park

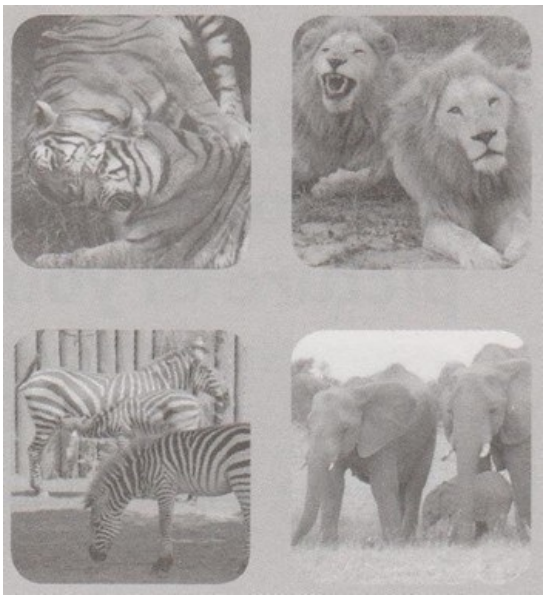

The Kruger National Park is in South Africa. It is very large. It is the habitat of wild animals.

There are rivers and the jungle in the park. Lots of wild animals live there.

During the day, you can see birds, zebras, elephants, giraffes, monkeys and crocodiles.

At night you can see lions, tigers and rhinos.

1. The Kruger National Park is in South Africa : True / False
2. There is a river and a jungle : True / False
3. You can see bears and zebras : True / False
4. You can see rhinos at night : True / False
5. There aren't any giraffes in the park : True / False

## 2-2/ Exercise 2

Read and answer the questions :

- What is May's favourite place?

---

- What animals can you see in the morning?

---

- What animals can you see at night?

---

## My favourite place

My name is May. My favourite place is the mountains. Lots of animals live there. You can see birds and butterflies in the morning. At night you can see bears and bats. There are lots of trees and flowers in the mountains. In autumn the leaves are yellow, orange and red. The mountains are very beautiful.
