2-1/ Exercise 1

2-2/ Exercise 2

I- Activities

1-1/ Activity 1

Read and complete the table :

Earth, or the blue planet, is our home. It is about 150 million kilometres from the sun. It has got one moon. There are 365 days a year on Earth and 24 hours in a day. There are four seasons on Earth. Seventy-five percent of Earth is covered with water. Humans and animals live on Earth.

Mars, or the red planet, is smaller than Earth. It is about 228 million kilometres from the sun. It has got two moons.There are 686 days a year on Mars and 24 hours, 37 minutes in a day. Mars has got four seasons. There is only a very small amount of water on Mars.

	Earth	Mars
What colour?	blue	_____
How far from sun?	_____	228 million km
