I- Activities

1-1/ Activity 1 (Reading)

- Read the postcard and correct the statements :

Dear Fred,

Hi! I'm on holiday in Essaouira. It's in the south-west of Morocco, on the Atlantic coast. Essaouira is a small imperial town. It's famous for its antiquities.

The population is about a hundred thousand.

The main activities are woodwork and tourism. The streets in the old part of the city (the Medina) are narrow and the shops are small and full of cheap and lovely souvenirs.

The people are nice and helpful. The region is fantastic and the weather is perfect for windsurfing. It's often warm and sunny.

Best wishes.

Ann

Dear Mum

Hi! How are you? I'm very well. Do you want me to tell you about Moscow? I like the city and the school but I don't like the weather. It's usually wet and cold. It often snows and the temperature is very low. Today, it is -6° celcius. Winter in Moscouw is terrible. At the moment, I'm in my room. I'm listening to Russian music and writing this letter. My roommate is studying for his exam now. His name is Wang and he's from North Korea. In the morning, we study Russian at school and in the afternoon, we practise outside. I'm doing a lot of progress and now I can write a short letter in Russian.

Bye for now

Love,
Mark
